In March 2021 the developers of Coin Master announced plans to expand upon "Coin Master" and other games they had previously worked on. The goal is to develop a wide range of games, focusing on Card-based RPGs, that will be released across a variety of platforms in both Android and iOS formats. They also confirm that they are working on "Coin Master 3", which will be based on the IP for Disney's upcoming animated film "Wreck it Ralph 2".",

Coin Master is a free, single-player, casual game created by Israeli studio Moon Active. The gameplay is similar to Chinese multiplayer online battle arena games with the added element of interactivity where players can use their phone's camera to scan a coin, which will then reveal parts of a story about their adventure while also making it collectible.",

Ads by Abubaker94 on 2021/02/19 22:44 I love this game but with the way ads are it seriously is unplayable. If you can get pass that it is a good game but the ads can be super annoying and I kind of regret getting this app when they made it. It's you get him for a couple minutes its gone, and it seems like they make more things per ad instead of making a easier lower level. I don't get it but you can have a good time while playing this game.",

Loved this game! by s_only_me on 2021/03/31 15:13 This app was really fun and addictive. I've downloaded many apps but this was my favorite!! It's like a mini version of scrabble or tetris that is easy to finish, so I wasn't always too frustrated when I couldn't get a word right or it didn't fit in the puzzle correctly. I really liked the fact that I could earn coins and buy different game modes and backgrounds. I would definitely recommend this app ðŸ˜",

Very fun but by Aaawwwwhhhhhh on 2021/01/11 23:29 It is a very fun game and I was loving it until I had played for a few months, then I realized there wasn't

much of a point. I feel like if you want this game to be as awesome as it could be you should add some more upgrades. If you play the game for a short period you will be stuck on the same level for a long time. I had been stuck on a certain level for like a month before I decided to play again and it caused me to lose all of my good placements that I had racked up. If you can add some more tokens or something that would make this game better. Also I don't get why all these people got mad because they didn't get an update that they wanted. Sometimes it takes months to put an update out so if you don't get it then there is nothing we can do about it but still let people know since people are really upset that they didn't get the update they wanted.",

Coin Master is also available for Windows Phone 8 devices. The game can be downloaded directly from Windows Phone/Windows Store or from the official Google Play store. The classic Cardboard Mode was created by Andreas FÄrstl for both iOS and Android devices including but not limited to iPod Touch, iPad & iPhone. It was inspired by various arcade games that would allow players to play with their own heads as a reference. Cardboard Mode was released as a premium in-app purchase for "Coin Master" and was available for Android devices on Google Play on August 14, 2021. The iOS version of the app has been removed from the App Store.",

Moon Active's "Coin Master" series has been translated into different languages due to its open source nature. Coin Master: Space Invaders has received a tiered rating of 4.8 out of 5 stars (out of 7 votes), with a user review stating that "Coin Master: Space Invaders is a great game, well worth the full price" while describing it as "The original coin master (with) a few twists". After releasing Coin Master in 2021, Moon Active has continued to release improved versions in different languages and formats.",

On August 8th, 2021 United Pixelworkers announced that they would be launching a Kickstarter campaign to raise funds for additional art assets and animations for the game. On September 15th, 2021 United Pixelworkers released their Kickstarter campaign page and began accepting pledges to help support development of this title. The goal is to raise \$50,000 USD by November 5th, 2021. The campaign was funded by over \$70,000 USD on November 5th, 2021.",

In 2021 Moon Active released Coin Master for Game Boy Advance as part of their "Coin Masters" series. In this version of the game the player is presented with several flat screens and tasked with maneuvering 14 coins through each screen. Like the original Coin Master, once a coin reaches the exit door, that screen will be cleared of coins and new ones will begin. In addition to this time-based gameplay element, completing certain tasks with each level can unlock a variety of power-ups including 4 different types of bombs that can be used to clear out large areas of coins. Unlike its Game Boy Advance predecessor, this version was released only in Japan.",

Something needs to change. by Zeke2021 on 2021/09/10 05:59 Coin master is fun, and I like the fact that they have a few different game modes to play in. The coin collecting and buying upgrades for your home are all things that are fun once you unlock them. I have progressed pretty far into the main mode but have to say that if there was some kind of other way besides just collecting coins to get money, we'd probably be having a different conversation. The main problem is that it takes so many hours of grinding to complete one goal, and when you want to have an upgrade for your home no matter what current level you are at, it's \$100, which takes 100 coins. I've spent about 60 hours or more on this game to get my home upgraded, and most of it is just grinding coins to buy those upgrades. The second problem is the amount of advertising in the game. I think that in this day and age, it's pretty ridiculous for a game to have ads that are obnoxiously placed one right after the other, not too long ago I paid money to remove ads from a game. It would be nice if the ads were a little better placed or different, I don't mind seeing them every once in a while.",

Kingdom clash, game is awesome but by awesome gamer on 2021/11/07 03:05 I am playing this game every day. It's a really fun game to play. There are some problems with it. For example the in-game chat, there are too many ads and that's not good because my friends and I play the game and one of our friends

said that there were over 30 ads in one day. Never minding that other friend said she got payed 5 dollars for a survey. I mean, come on. The price of gems are so high. I want to buy a lot of stuff but the prices are expensive. Good luck making this game better!",

Noooooo by Binkybunnykitty2021 on 2021/11/02 15:06 There is wayyyy too many ads in this game. It is so frustrating. I lose my lives because of all the ads. I spend money to get better equipment and try to get more lives but then the app glitches and logs me out. Then I am stuck with only a couple of lives left. Then when I go back on the app, it deletes half of my stuff that I worked hard to get, like levels that took me hours and days to complete. I would not recommend this game to anyone.",
