Roblox has received a mix of reviews. Many reviews are negative, saying that Roblox is not appropriate for children, as it contains an abundance of violence and inappropriate language. Some parents have raised concerns that Roblox may be a potential platform for sexual predators to target children.

Roblox and other similar games are compared in the table below. Game Similarities and differences ROBLOX Developed by David Baszucki. It introduced the ability to make your own places on the map and interact with other players in the same world. [127] There The first game to have a currency, where you earn coins through playing games. [128] It also introduced the ability for users to create their own houses by using a similar furniture system like in ROBLOX but with better design options. Habbo Hotel FriendBook was released, which is very similar to ROBLOX's Chat and Group Chat system where you can chat with other users from all around the world. [129] Habbo Hotel FriendChat was released, which is very similar to ROBLOX's Private Chat system where you can chat with friends from all around the world. There In the game, you have to fill a bar up with XP in order to level up. [130] Parkour Paradise Introduced the ability for players to create their own maps and create their own games. [131] Mario8 You are able to work on your character's status through doing quests and gaining XP by doing it. [132] Toontown Online Introduced the first "clothes" system for a character, where you can buy outfits in order to personalize your character and make them look different than others.

ROBLOX has banned thousands of accounts, usually for viral videos made by "trolls" or people who want to annoy other users/admins. Most of the bans these users receive are handed out by administrators but every once in a while a user will get banned for a "troll" video or similar reason. Some are also apparently banned because they made potentially offensive comments in the chatbox, not for any type of post or action that breaks the TOS.

The Chat Room is an area where players can talk or text either with themselves or with other players. The chatroom is separated into different categories, depending on what players are doing. Normal chat rooms for most players will probably contain users asking different questions about the game as well as people chatting about their creations. Other chatrooms include a room where people can indicate whether they want someone to play their games or put them up for sale and a "Celebrity Chat" that allows known celebrities to visit and hang out in the chatroom.

This section will provide an overview for the company's future prospects. This list is by no means complete and is subject to change. Roblox is ranked as the 5th biggest gaming website in the world. It has over 144 million monthly unique visitors (MAU), making it number 1 in total and within North America, Australia and New Zealand. The games on ROBLOX are free to play, while microtransactions can be purchased using Robux, which are acquired by playing the games or through a transaction system called "Builders Club". Since 2021, Roblox has been making more and more money every year and is currently valued at over \$1 billion. Its headquarters are located in San Mateo, CA.

I guess that's one of the reasons why Minecraft is so popular; it's simple and easy to understand, because of things like having to collect resources to build things. If you see a home on something like Roblox and Minecraft, it's probably built out of random things a lot of people gave you; whereas in Minecraft there are actual blocks which you can use in the game itself.

The news has attracted mixed responses from users. Some believe it's an improvement since it's more reliable, and fixes most of the bugs that caused users to constantly lose their work. Others think that it is useless due to the fact that ROBLOX Studio randomly changes collision methods and there are no descriptions on how to remedy this problem. Some have even started questioning how Roblox handles the games they host as well as some of their policies towards adult players/contents, and other problems like spam bots.

Roblox Youtube Channel (YouTube) - This is the official Roblox Youtube Channel. There are videos about game development, tutorials for specific features of the game, and more. The best part about this channel is that they post content from all around Roblox. You'll be able to find fun videos from popular games like Apocalypse Rising or Survive The Disasters as well as find awesome gameplay videos created by people who have only been in the Roblox community for a short time.

In February 2021, the popular user "meepcity" was hacked by unknown users who had created a character as an avatar for the hacker group "Lizard Squad". The avatar's name was changed to "pedobear", an image widely associated with child pornography. Several other users' accounts were also compromised by the group's activities.

It's hard for players who are older or younger (because of the increasing costs) to get some points because it takes a lot of effort just for 1 point. Some fields require money that most players cannot pay for. You can easily see this in the game's world:
